

## YEAR 7

## YEAR 8

Seasonality and Sustainability, Food Safety and Hygiene

**Flatbread and Dip**

Seasonality and Sustainability, Food Safety and Hygiene

**Stir Fry**

**Scones**

Application of Heat, Storage of Food and Bacteria

**Fruit Crumble**

Application of Heat, Storage of Food and Bacteria

Workshop Health and Safety, Ferrous and Non-Ferrous Metals, Alloys, Material Properties and Uses

**Metals Theory**

Hardwood, Softwood, Manmade boards, Material Properties and Uses

**Timbers Theory**

**Research & Design**

Mood Board, Initial Ideas, Metal Rendering

**Research & Design**

Sustainable Design, Mood Board, Initial Ideas, Timber Rendering

Manufacture Final Design, Appropriate application of Health and Safety when using Tools and Machinery, Evaluation of Process

**Make & Evaluate**

Manufacture Final Design, Appropriate application of Health and Safety when using Tools and Machinery, Evaluation of Process

**Make & Evaluate**

**Mini Design Project**

Experimenting with Materials and Processes, Continuous Prototype Development, Iterative Design Process

**Mini Design Project**

Experimenting with Materials and Processes, Continuous Prototype Development, Iterative Design Process

Eatwell Guide, Knife Skills

**Eatwell Salad Jar**
