

Key

	Consolidation task (mandatory)		Extended task (opt in)
--	--------------------------------	--	------------------------

Year	Autumn	Spring	Summer
7	In Year 7 pupils are set weekly reading homework on Sparx Reader . Pupils choose a book on the programme and Sparx Reader will regularly check their understanding of the story by asking comprehension questions. The tasks are designed to take roughly 30 minutes. Pupils will also be assigned 10 spellings to learn each week. For extra credit, pupils can choose from a selection of tasks linked to their current unit of work. These are available here: Autumn Term, Spring Term, Summer Term		
8	In Year 8 pupils are set weekly reading homework on Sparx Reader . Pupils choose a book on the programme and Sparx Reader will regularly check their understanding of the story by asking comprehension questions. The tasks are designed to take roughly 30 minutes. Pupils will also be assigned 10 spellings to learn each week. For extra credit, pupils can choose from a selection of tasks linked to their current unit of work. These are available here: Autumn Term, Spring Term, Summer Term		
9	In Year 9 pupils are set weekly reading homework on Sparx Reader . Pupils choose a book on the programme and Sparx Reader will regularly check their understanding of the story by asking comprehension questions. The tasks are designed to take roughly 30 minutes. Pupils will also be assigned 10 spellings to learn each week. For extra credit, pupils can choose from a selection of tasks linked to their current unit of work. These are available here: Autumn Term, Spring Term, Summer Term		
10	In Year 10, pupils have separate homework booklets which run alongside classwork. Occasionally, pupils may be asked to carry out additional homework tasks linked to their learning in class. For example, complete a practice question, plan an essay or revise key quotations. The last page of each booklet has extension options.		
	Macbeth	Poetry	Jekyll and Hyde
11	In the Autumn Term of Year 11, pupils have a separate homework booklet which runs alongside classwork. The last page of the booklet has extension options. An Inspector Calls	In the Spring Term of Year 11, pupils will be assigned consolidation or revision tasks to support their learning in class and help them prepare for their exams. This will involve revising key quotations and concepts, planning an essay or writing an exam response.	In the Summer Term of Year 11, pupils will be assigned consolidation or revision tasks to support their learning in class and help them prepare for their exams. This will involve revising key quotations and concepts, planning an essay or writing an exam response.
12	In KS5, pupils will be assigned weekly homework to consolidate their knowledge in class. This may be in the form of a practice question, research of concepts and theories or revision.		
13	For extra credit, pupils can read articles linked to their subject area from the English and Media Centre Magazine (a folder with most recent editions can be found here) or select a book from the English Department classroom libraries.
