

## Games Curriculum Overview - Year 11

		Unit	Details
Autumn One	<b>Rugby</b>		<p>In games lessons pupils are given an option to continue to develop the activities at a more competitive level in local and regional competitions, or take part in physical activity for recreation so that they can continue to develop skills in an activity that they may continue after school. There are teams in rugby, football, hockey and any other that the pupils wish to make a team in, so we have had badminton and basketball in the past.</p> <p>The recreational group are given opportunities to participate in activities which they already have experience of and use the skills and knowledge to develop them outside of school. Listening to pupil voice, we will also bring in experienced coaches for some pupils, for example dance.</p>
Autumn Two	<b>Football</b>		
Autumn Two	<b>Hockey</b>		
Autumn Two	<b>Recreation</b>		
Autumn Two	<b>Dance</b>		
Spring One			
Spring Two	<b>Intervention</b>		<p>As pupils continue to have PE lessons until they leave school, the games lesson has been set aside for pupils to have time to revise and prepare for their exams. In this time staff are given the opportunity to help pupils prepare for exams across the full suite of subjects.</p>
Summer One
