

Games Curriculum Overview - Year 12

| | | Unit | Details |
|---------------|--|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Autumn One | | Rugby | <p>Pupils are given a choice in this year group. The Intent is to continue with physical activity, that may be in a competitive environment, so teams in rugby, hockey and football continue to participate in local and national competitions.</p> <p>To promote physical activity beyond compulsory education, pupils can take part in recreational or organised classes such as yoga, which take place at local sports centres and clubs so that they can see where they can go to participate; connections with local clubs and facilities are very important so that pupils can continue to participate in physical activity beyond school.</p> |
| Autumn Two | | Hockey | |
| | | Football | |
| Spring One | | Recreational | |
| | | Yoga | |
| | | Community service | |
| Spring Two | | | |
| Summer One | | + Leadership | <p>In addition to the usual activities, during the summer term pupils who take part in Sports Leaders are given many opportunities to help run sporting events within school and outside of school in order to put into practice the skills which they have learned throughout the year.</p> |
