

Spanish Curriculum Overview - Year 6

		Unit	Details
Autumn One	España y dónde vives		<p>Pupils will learn different weather phrases and take part in speaking and listening activities to describe the current weather in Spain. They will learn about the different features of Spain and describe these using the indefinite article. Later in the topic they will learn to talk about where they live and will draw on prior knowledge to express opinions on different places and develop these by adding reasons, using a range of different adjectives. They will take part in a key speaking task towards the end of the term.</p>
Autumn Two			
Spring One	Mi familia		<p>In this topic, pupils will take part in speaking and listening activities, firstly expressing information about brothers and sisters. They will then learn to describe their appearance and that of others, showing accurate word order with key adjectives, and apply their knowledge and speaking skills in a game of 'Guess Who'. Following on from this, they will describe their personality, demonstrating an understanding of masculine/feminine adjectival agreement and complete a key reading comprehension task on the topic. Later in the topic they will express which pets they have and complete a key writing task where they will describe themselves.</p>
Spring Two			
Summer One	Las vacaciones		<p>Pupils will learn to use the present tense to express holiday destinations, who they normally go on holiday with and popular modes of transport. Later on in the topic they will learn how to form the near future tense and use this to talk about a future holiday. To further develop their speaking skills, they will prepare for and take part in a role play speaking task on the topic.</p>
